

Pessario

by For.me.sa.

Gynecological line

www.pessario.it

A pessary for all ages

A pessary, a discreet and invisible ally, is a device that problems associated with the pelvic area, such as uterine prolapse and urinary incontinence.

for.day for woman

for.day is the brand of an historical and female company that, after three generations, continuously works on the research for women health.

The commitment and dedication to gynecology world, has allowed us to present the pessary that can be used all day and every day.
